ELEVATING NURSING PRACTICE: HEALTH INFORMATICS AND TECHNOLOGY INTEGRATION

11, 12 & 13 SEPT '23

Educate • Empower • Excel

OVERVIEW OF THE CONFERENCE

Health informatics is the field that combines healthcare, information technology, and data science to improve patient care, research, and healthcare management. It involves the use of technology to collect, store, manage, and exchange healthcare information. Health informatics encompasses electronic health records (EHRs), telemedicine, medical imaging, data analysis, and more, contributing to more efficient healthcare processes and better patient outcomes.

This conference is designed exclusively for nurses at the forefront of healthcare innovation! Our conference, themed "Elevating Nursing Practice: Health Informatics and Technology Integration," will empower nurses with the knowledge and skills to harness the potential of informatics and technology in delivering exceptional patient-centered care. Join us as we explore the intersection of nursing expertise and cutting-edge technology, driving forward the evolution of healthcare delivery and improving patient outcomes.

ABOUT THE INSTITUTE

Dr. Mallela Ramaiah College of Nursing (DMRCON), Nellore, is established in the year 2016 under the aegis of Jay Bharat Hospital, A Unit of Simhpuri Vidya Seva Samiti. The college is named after one of the greatest scientists Dr. Mallela Ramaiah guru, Ex-Director, CSIR a native of Nellore who donated to this Nobel cause. The college currently offers B.Sc. nursing which is recognised by the Indian Nursing Council and affiliated to Dr. NTR University of Health Sciences, Vijayawada Andhra Pradesh.

Dr. Mallela Ramaiah College of Nursing (DMRCON), Nellore, is a place of excellence in healthcare education. We offer a comprehensive learning experience that combines cutting-edge curriculum with hands-on clinical training. Our dedicated faculty members, state-of-the-art facilities, and strong emphasis on practical application ensure that our students are well-prepared to meet the challenges of modern healthcare. As a dynamic hub of learning, innovation, and compassion, we are committed to shaping the future of nursing by instilling critical thinking, empathy, and professionalism in every student.

ABOUT THE FOUNDATION

Glorious International Nursing Research and Academic (GINRA) Foundation ®, a non-governmental nursing professional body dedicated to academic and research development provides a crucial platform for nurses to advance their scholarly pursuits. Operating independently, it fosters a community of educators, researchers, and scholars, facilitating the exchange of knowledge, research findings, and innovative teaching methodologies. By offering workshops, conferences, and research grants, this body nurtures a culture of continuous learning and evidence-based practice. Through its advocacy for rigorous academic standards and research excellence, it contributes to the growth of nursing as a respected discipline and empowers nurses to lead transformative advancements in healthcare education, research, and patient care on a global scale.

THE OBJECTIVE OF THE CONFERENCE

- ✔ Equipping nurses with the knowledge and skills to embrace and utilize health informatics and technology.
- ✔ Sharing real-world success stories and best practices in integrating technology into nursing practice.
